A tall, white, ribbed ceramic vase with a flared top and bottom, standing on a dark surface. The vase features a series of vertical ribs and horizontal bands, giving it a textured, woven appearance. It has a wide, flared rim at the top and a matching flared base. The body of the vase is composed of many vertical ribs that are slightly curved, creating a sense of movement. There are three distinct horizontal bands that encircle the vase, separating it into four sections. The top band is near the rim, the middle band is in the center, and the bottom band is near the base. The vase is set against a plain, light-colored background.
